

GUIDELINES OF SANT KABIR AWARD

1. Background & Objective:

Handloom weaving constitutes one of the richest and most vibrant aspects of the Indian cultural heritage. The artistry and intricacies of weaves in the handloom fabrics is unique. The handloom weaving has an advantage of flexibility of small production quantities, openness to innovations, low investments and adaptability to market requirements. It is a natural productive asset and tradition at cottage level, which has sustained and grown by transfer of skills from one generation to the other. Today, this industry provides employment directly and indirectly to over 65 lakh persons belonging mostly to socially and economically weaker sections in the country, particularly in the rural areas.

In order to stimulate the legendary handloom weavers to carry on the tradition and to encourage them to pass on their skills to the next generation so as to avoid its extinction, it has been decided to confer SANT KABIR AWARD on outstanding weavers. This award will be conferred on such outstanding weavers who have made valuable contribution in keeping alive the handloom heritage and also for their dedication in building up linkages between the past, present and the future through dissemination of knowledge on traditional skills and designs.
